

Erasmus+ International Project 2015-2018

What is Erasmus +?

Erasmus+ gives money to organisations for training and education.

Erasmus + gets their money from the European Union.

Stewarts Care and Disability Federation Ireland are working together on a project.

The project will help you improve your independent living skills through training.

This training should help you to be more involved with your community.

Who is involved?

There are lots of different organisations involved.

Some are in Ireland and some are in different parts of Europe.

DFI work to improve the lives of people with Disabilities all over Ireland.

They will work with Stewarts Care.

National University of Ireland Maynooth.

Institute for Social based Community Services (ICSS) from Bulgaria.

KVPS Finland.

Centre de la Gabrielle France.

Some of these organisations provide support to people with Disabilities in Europe.

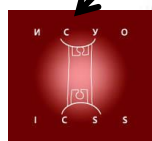

What is involved?

You will get training to improve your independent living skills.

Information of your training will be shared with the partners of the project.

There will be one to one meetings,

There will be group work,

and you may get a chance to travel to another country.
